

Client:

Bryce Homes

Development:

Our task from our client; design, plan and project manage a development that provided houses and flats with visual appeal and also much more generous in space for buyers. Working with client, planners, builders and remembering our house buyers, we achieved a development and individual properties that met all parties objectives. Garmouth Place today is a successful housing community within Elgin.

Budget:

£500K with end sales of £2M
