

Client:

Bryce Homes

Development:

Our client Bryce Homes have an enviable reputation within the House Building Sector for creating sustainable living developments. Approaching Your Space Architecture they had a vision of providing visually pleasing homes for owners and planners alike, whilst ensuring an investment return on what was a small site. What we delivered addressed all points and today is a very successful operational development.

Budget:

£400K with end sales of £1.1M

SILVERBANK, ELGIN
